

# Surry Hosting Region X Golf Tournament

**Cedarbrook Country Club will serve as host to the 2011 Region X Golf Tournament.**

**Dobson, NC** – The Surry Community College golf team will host the 4<sup>th</sup> annual Region X fall golf tournament on Saturday, November 5 and Sunday, November 6 at Cedarbrook Country Club in Elkin. Tournament play will begin at 12 pm on Saturday and is scheduled to start at 9 am on Sunday. A practice round will take place on Friday afternoon. Started back in 2008 by Surry golf coach, Tom Pendergraft, the tournament winner receives a trophy that stays in their possession until the following year’s tournament. “It’s a great tournament that brings a lot of people into our area,” stated Pendergraft. “It is really good for our local economy.”

Louisburg College captured the initial tournament championship in 2008. Since then, Sandhills Community College (2009) and Wake Technical Community College (2010) have both recorded tournament wins. “We are hopeful of keeping the trophy here this year,” added Pendergraft. “We feel like we have a very solid team and have played some good golf this fall. This event will also give me a good indication of how we will play in the spring against other Region X colleges.”

College competing in this year’s tournament includes Craven Community College, Johnston Community College, Louisburg College, Sandhills Community College, Surry Community College, and Wake Technical Community College.
